The concept of the work ethic, sometimes referred to as the Protestant work ethic, was first proposed by sociologist Max Weber based on economic conditions in his native Prussia. Weber observed that the danger of racialized Jesus

The German sociologist Max Weber famously argued that it was "the Protestant ethic", Calvinism in particular, that gave rise to "the spirit of capitalism". It combined three attitudes:

1. can you wait 20 minutes before eating the marshmallow?

Recently, on my car radio, I heard Bart Millard, the lead singer of the Christian music band MercyMe, singing his hit song "I Can Only Imagine." The song, of course,

2. Edward F. Palm: make the most of the here and now

I've heard it's something about Weber and some Protestant Ethic or Spirit of Capitalism (or something). At least Europeans know how to take a proper holiday and even sick days when they're

3. Living & dying

Since Aug. 20, I have experienced the wonderfulness in Glenwood Springs after leaving Aspen so many years ago in late 1979. I continue to let many know in Beverly Hills, Hollywood, Burbank, Glendale.
