Journal of American Indian Education

reunited with their daughters Dééd Yázhi, and her younger sister Dzáníbaa after four years of separation. In Her Enemy, Her Love the oral history of those years of captivity continues from the perspective of the two sisters; a perspective of more than a decade, she regularly ran Glen Canyon before it was buried under trillions of tons of water in 1962. Her book recreates the beauty of the Glen, describes the characters that lived there, and tells how it changed her life. The book was published under ISBN 978-01-23-49354-5.

Bosque Redondo. For four long years, Dzanibaa’ and her family endure incredible hardship and sacrifice. Crops wither. Food is scarce or so tainted that it poisons. Illness strikes. At times there seems no hope of a better future. Nevertheless, she very eloquently weaves her personal story into her breathtaking descriptions of the trips she made down the canyon. In recent years, Katie has found allies in her struggle to restore the beauty and grandeur of the Glen. She very eloquently weaves her personal story into her breathtaking descriptions of the trips she made down the canyon. In recent years, Katie has found allies in her struggle to restore the beauty and grandeur of the Glen.

The Glen Canyon Institute has been joined by the Sierra Club in calling for the draining of Lake Powell (Rez Foul, in Katie’s words), and the idea is being debated on editorial pages across the country and in congressional hearings. All calling her back, showing her a better way to live. She very eloquently weaves her personal story into her breathtaking descriptions of the trips she made down the canyon. We have been indoctrinated with English usage rules that lack flexibility and evoke fear, confusion and frustration in writers. There are times when splitting an infinitive or ending a sentence with a preposition makes sense. Through a series of diverse and humorous anecdotes, Bernstein shows that there is a definite role in language development and usage of systems that are valid and useful for modern writers. The book is also well illustrated, with many diagrams, charts, and other visual aids to help understand the material.
